Transforming Kelley's Corner into a walkable town center is a high priority action item of the Acton 2020 Comprehensive Community Plan. It is time to make this goal a reality!

The Board of Selectmen's FY 2014 budget includes \$277,000 for Actonians to work with an engineer and design team to define and match our vision for Kelley's Corner with viable zoning and design guidelines and to create a preliminary infrastructure improvement plan.

**Voting "YES" on this item at the April 1, 2013

transforming Kelley's Corner!**

In preparation for this Town Meeting vote the Acton 2020 Committee invites you to a public forum March 7th to learn more about the project and to showcase successful town center planning techniques. Please join us for this inspiring and informative event.
